

"Big Red" our camper trailer is up for saleWe purchased this trailer second hand in September 2013, previous owner only used it for accommodation when he was away for work. We brought it because it was in excellent condition. The reason we are selling is because it is too big for us (2 people), and have brought a caravan for a business venture, it is perfect for a family! NSW Registration valid to May 2014.

We had the camper up at Christmas for family to stay in who commented it was very comfortable. The last time we used it was on the Australia Day long weekend, I can tell you that the tent and annexe are watertight...we experienced horizontal rain while putting it up. Details about the camper trailer are listed below, I have listed a few photos more to follow so you will have a better idea what it looks like when the annexe is up. If you want to inspect the camper please send a message to arrange a time, as the camper is all packed up I will need plenty of notice to ensure the tent and annexe are available for inspection.

7x4 on road trailer, plenty of room for storage in the trailer, zippered cover over trailer , gas struts to lift trailer top (see photo)

Heavy duty 5 leaf slipper springs

Round solid axle 750 kg gvm

Long drawbar & stand up spare mount

Swing recessed tailgate which when swung out converts to a kitchen area with a stainless steel bench, sink, tap and lock up draw, great preparation area or for your portable gas stove

LED lights

Drop and wind down legs

60 litre lockable water tank and a 9kg gas bottle and bracket

12 ft Camper Top

12 ft main self supporting tent including awning

3 piece walls to enclose awning for extra room, the annexe floor does have a couple of holes in it and would probably either need to be replaced or patched up

All windows with zips & mesh

Selected windows are half mesh half clear pvc, there is a tarp included that will cover the entire trailer, tent and annexe.

100mm foam mattress with privacy screen - king size bed (very comfortable), trailer access under the bed, comes in handy when your trying to unload trailer in the rain

Aluminium ladder, all poles, pegs and rope included.
